

# Make and Makefiles for workflows

Hannah Holland-Moritz

March 30, 2020

1 Overview

2 Introduction to make

# Overview

# Resources/Links/Inspiration:

Today's presentation is heavily inspired by:

- 1 Software Carpentry's lesson in makefile
  - ▶ <https://swcarpentry.github.io/make-novice/>

# Today's Topics

① Introduction to Make

②

# Introduction to make

# Why should we be using makefiles?

- 1 Reproducible workflows with minimal brain power

## **\*\* Anatomy of a makefile\*\***

```
# Count words.  
isles.dat : books/isles.txt  
    python countwords.py books/isles.txt isles.dat
```
